Instructions: All submissions received must include the words “Department of Homeland Security” and the docket number for this action. Comments received will be posted without alteration at <http://www.regulations.gov>, including any personal information provided.

The Office of Management and Budget is particularly interested in comments which:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
3. Enhance the quality, utility, and clarity of the information to be collected; and
4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic,

mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.

**SUPPLEMENTARY INFORMATION:** The purpose of the TSP System is to provide a legal basis for telecommunications vendors to provide priority provisioning and restoration of telecommunications services supporting national security and emergency preparedness functions. The information gathered via the TSP System forms is the minimum necessary for DHS's Office of Emergency Communications to effectively manage the TSP System.
